- Unsure exactly what the intention was behind this session. Not much specific information was shared beyond basic case management/landlord engagement strategies that felt nearly common-sense.
- I was a presenter :) If we presented at the conference, will our team receive a snapshot of the feedback and reviews of our session that are shared in this survey? Thanks so much for your support!
- Presenter showed up late and it was confusing when they arrived
- Really enjoyed the time to connect with other participants in this session, discussing how providers did their work in the field. The prompts were great.

(optional) Please share any recommendations for how to improve our ability to discuss and collaborate on this topic

- In the future I would find it helpful to host sessions on specific aspects of landlord engagement and drill real deep into it. "Let's spend 75 minutes talking through the nuances of a rental application denial appeal" or "let's practice and share templates of our org's reasonable accommodation letters"
- Stick with one set of presenters instead of folks coming in late
