

Homeless Services Department Provider Conference

June 16, 2026

**Homelessness
Response
System**

Homelessness Response System

Policy and Investment Implementation

HRS Key Performance & Environmental Indicators

Grounding Indicators

Inventory of affordable homes ($\leq 30\%$ AMI) per 100 extremely low income renter households *(KPI #3)*

36,715 extremely low income renter households in Multnomah County (2018-2022)

13,870 regulated affordable units at $\leq 30\%$ AMI

37.78 affordable units exist for every 100 extremely low income renter households

67.9% of extremely low income renter households pay more than half of their monthly income to rent

People Experiencing Homelessness (KPI #1)

Roughly 18,480 currently
accessing services

+209 (1.2%) month-to-month

+3,234 (21.2%) annual

Homelessness Response System

(KPI #5)

(KPI #10)

Indicators: Inflow vs. Outflow

Inflow consistently
outpacing outflow
(avg. +380/mo)

Roughly 1,715 (avg.)
entered homelessness each
month;
~72% new to system

Roughly 1,335 (avg.)
exited; ~ 32% to
housing (KPI #11)

Homelessness Response System

Inflow: Detail

Eviction Judgments (KEI #7)

Number of Judgments of Eviction Issued in Multnomah County Circuit Court

From April 2025 to March 2026, 15.6% (avg.) of eviction cases resulted in an eviction judgment

In that same time period, an average of 1,029 eviction cases were filed each month

People living without a lease agreement in households earning $\leq 30\%$ AMI *(KEI #6)*

3,477
(2024)

Point-in-time estimate of
“doubled-up” population

American Community Survey
data, updated annually

Trend data forthcoming

Homelessness Response System

10

People Entering Homelessness; (KPI #5)

People Who Returned to Homelessness from a Permanent Housing Location (KPI #2)

Roughly 1,715 (avg.) entered homelessness monthly

~72% new to system

~14% (230) return from housing

Homelessness Response System

Intersection of Behavioral Health & Housing Retention *(KPI #4)*

Very low exits to homelessness across the board

To break even, would have had to prevent 87 people in HABH cohort from exiting to homelessness over two years

Participants who Exited Permanent Housing Programs to Homelessness

Safety On & Off the Streets: Detail

People Experiencing Homelessness; (KPI #1)

People Experiencing Unsheltered Homelessness (KPI #8)

Just under half (9,107) unsheltered
 +159 (1.8%) month-to-month
 +1948 (27.2%) annual

Homelessness Response System

(KPI #9)

People Experiencing Chronic Homelessness

Just over 9,450 experiencing chronic homelessness

Roughly half of full population

~55% unsheltered

+202 (2.1%) month-to-month

+1,766 (23%) annual

Homelessness Response System

15

Outflow: Detail

People Who Exited Homelessness System; (KPI #10)

People Who Exited Homelessness to Housing (KPI #11)

More than 400 (average) exiting to housing monthly, higher in past 6 months (423)

Roughly one-third of all exits

9,425 people housed in housing programs (March)

Homelessness Response System

(KPI #12)

Average Time from Homelessness to Housing

Track for trend - currently downward

Average 1,159 days, median much lower at 472 days

62% housed within two years of becoming homeless

Homelessness Response System

How We Are Using Them

Transition Timeline: New System KPIs

Aligning Budget Decisions with Performance Goals

1. Final "Old" Report

- Last quarterly report using original 4 KPIs.
- Covers performance through end of CY 2025.
- **Milestone:** End of original two-year plan goals.

3. Budget Decisions

- Budgets final: Investment levels determine trajectory/achievable outcomes.
- Goal setting for KPIs and Sub Indicators begin.

5. Final Decisions

- Quarterly report, data through June (baseline).
- Dashboard live.
- Final decision on system level and sub indicators goals.

Homeless System Provider Engagement

Homelessness Response System engaged with providers on prioritization for HRAP 2.0 and on guiding principles for the FY27 budget.

Keep People
Housed

Prioritize Housing
Placements

Maximize Shelter
Effectiveness

continued focus on priority populations
and reducing disparities

Homelessness Response System

HRS FY27 Budget Projections

Homelessness Response System

How the Budget, KPIs Relate to the Work

Discussion: Comments & Questions
